

CAR-SHAMPOO

Highly effective, material-saving universal detergent for cars, two-wheelers, household and camping

Features:

- Concentrated cleaning agent for intensive and gentle manual car wash
- Removes water soluble as well as aliphatic and oil emulsive dirt
- Conserves the protection layer of paint conservation products (e.g. wax)
- Is characterized by a high material compatibility
- Also suitable for modern car paintings and sensitive plastic parts like lamp lenses made of Polycarbonat[®] and tail lamps made of Polymethylmethacrylat (PMMA/Plexiglas[®]).

Areas of application:

Suitable for all kinds of car paints, for painted and not painted plastic parts (wheel rims, chrome trim strips, etc.), glass panes and sealing material made of rubber.

Usage:

First rinse off coarse dirt with water. Dilute two caps (about 60 ml) with 10 liters of water. Apply the detergent solution with sponge, wash mitt or brush. Finally, rinse with water and sand to avoid possible limescale (water hardness).

Tip:

Repeated use of new wash liquor during heavy dirt load to avoid scratches caused by dirt on the paint.

Note:

The product should not be allowed to dry during use.

Do not use in blazing sun and on hot paint. Protect from frost.

Container	Article number:
500 ml	40 27289 00463 1
5 litre	40 27289 00388 7
10 litre	40 27289 00389 4
