SILICONE SPRAY

A high quality care and maintenance product for inside and outside use

Features:

- Cares for, protects, lubricates and insulates without greasing
- Suitable for use inside and outside
- Keeps rubber elastic and prevents freezing onto door and luggage compartment rubbers
- Protects and impregnates plastics, rubber, leather, vinyl and folding roofs
- Returns plastic parts back to their original appearance
- Removes all friction problems, for example on sliding roofs, gliding rails, zips...
- Keeps grass mowers and garden equipment clean

Container	Article number:
300 ml	40 27289 00095 4

Areas of application:

- Removes creaking and squeaking noises on the vehicle dashboard and steering column
- Lubricates rollers and guides on safety belts

Usage:

Spray parts well and spread on surfaces with a soft cloth.

Check material compatibility in advance in a small, invisible area.

Important notice - non-compliance may lead to damage!

Our products are intended for the specified areas of application. If the user wishes to use our products for other purposes, he must check whether the product is suitable and approved for that use. We can only provide a guarantee for the stated specifications. Specifications are subject to change. When we disclose certain examples of use for our products, these may have been carried out in controlled environmental conditions - therefore the results may be different in a different, individual environment. Contact us if you have any questions about the products and application examples! When using, storing and disposing of products, the legal and official regulations, our specifications and the manufacturers' specifications must always be strictly observed. Read the instructions for use, operation and maintenance particularly carefully. Danger warnings must be strictly followed. If the products are handed over to third parties, they must be informed accordingly and the documents belonging to the product, such as manuals, data sheets and hazard warnings, must be made available to them.
