## SILICONE REMOVER

A special solvent and degreasing agent

### Features:

Removes dirt, silicone greases and oils without leaving any residue, as well as their resinous residues

Container	Article number
300 ml	40 27289 00359 7

### Areas of application:

To degrease surfaces, particularly before painting them

### Usage:

Spray evenly over the surface. Allow to work for a short time and then wipe away using a clean cloth. Checking for plastic and varnish compatibility by pretests.

Do not spray onto thermoplastics like PVC, polystyrene or Plexiglas®.

### Important notice - non-compliance may lead to damage!

Our products are intended for the specified areas of application. If the user wishes to use our products for other purposes, he must check whether the product is suitable and approved for that use. We can only provide a guarantee for the stated specifications. Specifications are subject to change. When we disclose certain examples of use for our products, these may have been carried out in controlled environmental conditions - therefore the results may be different in a different, individual environment. Contact us if you have any questions about the products and application examples! When using, storing and disposing of products, the legal and official regulations, our specifications and the manufacturers' specifications must always be strictly observed. Read the instructions for use, operation and maintenance particularly carefully. Danger warnings must be strictly followed. If the products are handed over to third parties, they must be informed accordingly and the documents belonging to the product, such as manuals, data sheets and hazard warnings, must be made available to them.
